

Poitiers Program Credit Chart

Course Credit Equivalency: European Credit Transfer System (ECTS)

General Notes:

1. The ECTS is employed in Western Europe. It has been more or less fully implemented in: Denmark, Finland, France, Germany, Italy, Norway, and Sweden.
2. The following rule is employed in most cases, but exceptions to the policy must be made for individual programs or departments in which the system has not been implemented in a way consistent with the general policy.

Credit Equivalency.

1 ECTS credit = 0.75 UO credit

ECTS Credits	UO Credits
